

Howard County Resource Guide – Mental Health and Suicide Prevention Programs

The Howard County Local Health Improvement Coalition (HCLHIC) is working to increase participation in evidence-based mental health and suicide prevention education and stigma reduction programs by 20% to reduce emergency department visits related to mental health conditions and decrease suicide rates in Howard County. Partners including *Howard County General Hospital, Grassroots Crisis Intervention, the American Foundation for Suicide Prevention - Maryland Chapter and the Mental Health Association of Maryland* are collaborating to make these programs accessible to the community. *You can help by sharing these upcoming programs!*
