The Howard County Local Health Improvement Coalition (HCLHIC) is working to increase participation in free/low-cost nutrition education/services for priority populations by 20%. In addition, HCLHIC is working on an effort to reduce the consumption of sugary, sweetened beverages and increase healthy food choices for priority populations. HCLHIC partner organizations including: *Howard County General Hospital, Howard County Health Department, the Horizon Foundation, Howard County Parks and Recreation, and the Howard County Public School System* are collaborating to help achieve these goals. *You can help by sharing these programs and services!*
