

Howard County Resource Guide – Mental Health and Suicide Prevention Programs

The Howard County Local Health Improvement Coalition (HCLHIC) wants to connect Howard County community members with evidence-based mental health, suicide prevention education and stigma reduction programs. Partners including *Howard County General Hospital, Grassroots Crisis Intervention, the American Foundation for Suicide Prevention - Maryland Chapter and the Mental Health Association of Maryland* are collaborating to make these programs accessible to the community. ***You can help by sharing these upcoming programs!***
